ODISHA
NEW OPPORTUNITIES

Letter No. 3104/I., dated 06th May, 2020

To

All Industries operating in Odisha.

Sub: Support for full scale operations of industries within Odisha.

Sir,

The government of Odisha has come up with a set of guidelines for Industries vide order no. 2214/ Dated 17.04.2020 where in under the sections 2 to 6 and section 12, elaborate instructions have been given about the type of industrial activity that is permitted under the extended lockdown period beginning from 20.04.2020.

This is to clarify that all industries and industrial activities coming within the eligible to operate categories within the State are allowed to operate in three (3) shifts and with full strength manpower as may be required by them to scale up their production to full capacity with immediate effect. No separate permission is required to restart industrial operations for industries in the category mentioned above.

Further, it is also clarified that ID card(s) issued by the concerned Industry is sufficient for the movement of manpower within the State for the purpose of reporting to work. Such manpower may either use their transport facilities for the purpose of commute to work for which the aforementioned ID cards shall suffice. Alternately, the Industry may arrange for vehicles to provide point-to-point transfer of manpower for which necessary vehicle passes issued by IPICOL will suffice.

During operation, the Industries must strictly follow the guidelines issued by Central/ State Government, as amended time to time.

Yours sincerely,

Special Secretary

Memo No. 3105/I., dated 06th May, 2020

Copy forwarded to Director Industries, Odisha, Cuttack/ PS to Principal Secretary, Industries Department & MSME Department for kind information of Principal Secretary.
